Old Business: None.

New Business:

1. A request by Jon Kirkpatrick, through Paul Saliga to become an honorary member was brought to the table for a vote. The vote was unanimous and we welcome Jon as our first Honorary Member of BassAckwards.
2. All tournament directors are reminded to weigh-in everyone's largest fish to prevent ties. If the large fish tie in weight we will observe the "Rock- Paper- Scissors" format between the two tied to decide who takes the lower spot.
3. We drew for takeoff positions for the Chic and the two day Lake Gaston tournament.
3.1. It was discussed that it would benefit our blast-offs if we read the blast-off order aloud prior to the actual blast-off. This will ensure proper order and a safer take-off. It is also recommended that everyone review the blast off order prior to the day of the tournament so you know who you follow.
4. A request from Mike Vesely to fish exclusively with Mike M. as a non-boater during the Gaston tournament was approved.
